BOB MOHSEN

Bio

Ibrahim Mohsen, is an emerging Lebanese basketball talent born in 2009, making significant strides in youth basketball both in Lebanon and the UAE.

Bob began his basketball journey at a young age, showcasing exceptional skill and dedication. He is recognized as one of most standout players in UAE demonstrated in his versatility and impact on the court which reflects his all-around game and ability to contribute significantly in various aspects.

Bob represents Lebanon at the U14 level, highlighting his advanced skills and potential on the international stage. His involvement with the national team underscores his commitment and the recognition of his talent at a young age.

Bob Mohsen's dedication, skill, and achievements at a young age position him as a promising talent in the basketball world.
