TIA EL HALABI

Bio

Tia El Halabi, is a rising Lebanese basketball talent, born in 2009, who has been making significant strides in youth basketball circuits. Known for her exceptional speed and tenacity on defense, Tia has earned a reputation as a formidable presence on the court.

Her ability to read the game, combined with her quick reflexes, allows her to disrupt opponents' plays effectively, making her a defensive powerhouse.

Tia's agility and speed enable her to transition swiftly between offense and defense, often catching opponents off guard.

her on-court performances speak volumes about her potential and dedication to the sport. As she continues to develop her skills and gain experience, Tia is poised to become a prominent figure in women's basketball.
