SANAD GHAZAL

Bio

Sanad Ghazal, is an accomplished basketball player with extensive experience competing at both national and international levels. A dynamic Small Forward known for his versatility, defensive intensity, and high basketball IQ, Sanad has developed through elite programs across multiple countries.

Currently a key player for the Combine Academy Elite Team in the United States, Sanad has faced off against some of the top-ranked high school and prep teams nationwide. At Combine, he has honed his game through elite skill development, strength training, and high-level tactical coaching. His ability to adapt to the fast-paced and physical U.S. playing style has further elevated his performance on the wing.

Internationally, Sanad has proudly represented Jordan on the U18 National Team, where he played a vital role as a Small Forward. Known for his strong perimeter defense and efficient scoring, he was instrumental in creating offensive opportunities through floor spacing and transition play.

Prior to that, he competed with the U16 Jordan National Team, where he showcased his versatility as a Guard/ Forward hybrid in FIBA regional competitions. During this time, he further developed his ball-handling skills and ability to contribute across multiple positions. Sanad's club career began with Amman United Club in Jordan, where he competed in national leagues and tournaments. His contributions included improved three-point shooting, lockdown on-ball defense, and consistent impact in both half-court sets and transition scenarios.

Additionally, Sanad trained with the NBA Basketball School in Dubai, UAE, where he gained valuable experience in NBA-modeled systems, team-oriented play, and advanced court vision. His time in Dubai emphasized structured scrimmages, defensive rotations, and a deeper understanding of the game. With a strong foundation built across several competitive environments, Sanad Ghazal continues to rise as a high-potential prospect—driven by discipline, adaptability, and a passion for the game.
