ZAIDBOKA

Bio

Zaid Boka, is quickly making a name for himself as one of the most promising young basketball talents in the region. From leading his school team to a near perfect season, to starting as point guard for the Jordanian national team in three of four games, Zaid’s impact on the court has been nothing short of remarkable. His talent has also taken him to Dubai, where he played with the elite Twenty Four Basketball Academy.

Zaid’s game is defined by his exceptional finishing ability around the rim, tight short distance dribbling, and a relentless defensive mindset. Coaches often look to him as the first choice to guard the best players a challenge he’s embraced against top-tier talent from Lebanon, Syria, and Iran. His calm demeanor and ability to stay mentally strong in high-pressure situations make him a leader in every sense of the word.

At Greenfield International School, Zaid is not only an athlete but a dedicated student entering the rigorous IB Diploma Program.

He’s pursuing higher level studies in Sports Science, Business, and Economics, along with standard-level Math, English, and Arabic a reflection of his drive to excel both academically and athletically.

Zaid’s efforts have not gone unnoticed. He’s been named his school’s Best Athlete, was crowned MVP of the U16 basketball team, and has earned multiple MVP awards throughout the competitive DOBA League. But Zaid’s leadership extends beyond his own play.

Over the past two seasons (2023–2025), he has volunteered as the coach of Greenfield’s U14 basketball team, leading them to the semi-finals in his first year and all the way to the finals in his second.

As both a player and mentor, Zaid Boka is showing what it means to combine skill, sportsmanship, and academic ambition a true role model for the next generation of athletes.
